

## De Bestiarum Naturis 097 – the Periscope

*Every step is harder than the previous one.  
I fearfully peep out from the hole,  
my feet still in the warm, my hands clasped together,  
watching the living ones living and doing things I can't.  
If I am still alive, it is because I keep my distance  
from all this life*

### **DBN 097 - THE PERISCOPE**

Drawing  
Indian ink and cellophane on paper  
cm. 51.0 x 28.0  
2002-2022
