

De Bestiarum Naturis 105 – the Snakegoose

- Dad! Can we call this one the Snakegoose? Please!*
– *Oh, come on! you know I don't like straightforward hybrids.*
And anyway, where does the "snake" part come from?
– *... it's all bendy!*
– *Fine, but this is the last one!*
– *What about the Catdog?*
– *Absolutely not! No Catdogs here!*
