

De Bestiarum Naturis 185 – the Today

*Can you hear it? The band's approaching!
Come over here, so you can see it better.
You can hear the music already, can't you?
It'll go past us soon, can you hear the music getting closer?
Get over here, quickly, this is where it's passing by,
just as you were getting close.*

DBN 185 - THE TODAY
Drawing
Indian ink and acrylic on paper
cm. 31.0 x 19.
2012
