

De Bestiarum Naturis 446 – the Too Light

*Long ago it was believed that the supreme truths were too bright and dazzling for humans
and that only the Saints or the Poets could face them without danger.*

*Like all the Skiapods, however, even the Too Light knows
that the falsehoods shine like stars in the sky and the truths struggle to show themselves.*

DBN 446 – THE TOO LIGHT

Drawing

Indian ink and acrylics on various papers

cm. 30.5 x 33.0

2015-2020
