

De Bestiarum Naturis 671 – The Turbulent Hybrids

*Living beings on this earth,
and especially bipeds unable to fly,
are Turbulent Hybrids,
born from the crossing between the weight of the body
and the winged surges of love
that inhabit them.*

DBN 671 – THE TURBULENT HYBRIDS

Drawing

India ink on paper

26.0 × 32.0 cm

2025

To better understand the psychological theme of turbulent or conflictual hybridization, please see also *DBN 972 – The Emu*.
